

# A lot goes into a successful backpack....

Including volunteer time, community support, encouragement, joy, and **donations of supplies**. [Can you help?](#)

We want to ensure that children from low-income families in our area receive the tools they need to succeed in school. The MOM Back to School Program provides backpacks stuffed with grade level supplies for children in Pre-K through high school, and also supplies for college students. Our goal is to reach 1,000 students this year, and we could never pull off such an enormous task without your support.

## Most needed items:

- extra-large back packs for high school students
- dry erase markers
- three ring binders (w/out logos)
- graph paper
- dividers for folders and binders
- protractors
- compasses
- black sharpies
- Crayola crayons
- plastic page protectors-packs of 10
- 3x3 Post-it notes
- scotch tape
- pocket folders

Donations can be brought to the MOM Office

(Monday-Friday, 9-4:30)  
3502 Parmenter Street  
Middleton, WI 53562
