A lot goes into a successful backpack.....

Including volunteer time, community support, encouragement, joy, and donations of supplies. With your help, we can ensure that all children in our area have the tools they need to succeed in school.

The MOM Back to School Program provides backpacks stuffed with grade level supplies for children in Pre-K through high school, and also supplies for college students. This year, MOM will distribute nearly 800 backpacks with school supplies.

All new supplies and backpacks can be delivered to the MOM office at 3502 Parmenter Street. Deadline to bring in donations is August 16th. Thank you!

Most needed items:

- extra-large back packs
- three ring binders w/out logos
- Crayola markers—thin
- poly (plastic) pocket folders—solid colors
- loose leaf paper—college ruled
- Sharpies —black, fine tip
